We were in the car, which was a mistake.

Oh, I like hiking.

Is it the thrill of saving money?

In water, I gave away to a life of crime

from one of the south bound E around 5PM.

Magic.

If so, how about a contact number and a nice dinner even though it doesn't look like you're trying to ignore the lingering feeling of grief.

So tonight, I was 13.

Um, do I love you

For this to work out

so let's go down

We just don't have to insert the --

Look, I don't remember.

I'm dating, like, fondling or touching.

But after nearly an hour—

Your fears are all gone to a point where I spend my time making trouble.

when october swings around, haunted houses are big business.

Cool Dude from bk looking for an older woman who likes to be Santa.

Cool Dude from bk looking for a longer period of time in disguise.

Your fears are all gone to a life of crime.

But little bit apprehensive because it's such a tasteless note.

Sorry, I'm going to die.

Yeah, yes, you're probably going to die.

That's what they say, "dream big" and, you—

oh, you're allowed.

Just 'cause I know it's *you*

Can I hear the view / count an hour of riddles.

This is a huge gift from God.

Earlier tonight, I felt bad because it wasn't real.

You can't be so annoyed right now

And it was a decision arrived at after a long deliberation and
this naive assumption

As I met James, something bad happened.

As I met James, something actually turned up.

I've since met someone who is probably 89

No, just—you

Sorry about this place we have a test at 9:

You have a perfect environment to set up so that they move a little

Music to get women to like threaten me

Okay, I'm sorry for

"Will they find love"

I decided to give people a reminder that it's okay.

To see which one would ever suspect.

Drink your own urine.

I can do whatever I want to know you

You're not gonna--but, I know it.

All right, so let's go down this mountain as friends?

No hard feelings--No hard feelings.

It's enjoyable to see yourself portrayed as a son.

It was refreshing to feel that there was one person, usually more than being scared.

And it's a little smile I know you

Now I needed to know me

--Thank you

Notes:

This is a generative poem created using rita.js generated sentences. The databases of text I used are:

- Craigslist missed connections page in New York
- Nathan For You season 1 transcript
- Select diary entries from former Philippine President Ferdinand Marcos

This is not exclusively made using p5, I chose sentences that were interesting and somewhat understandable.
